

DIRECTIONS

VIA CZERNYRING

Coming from the north-west via Czernyring, the entrance integrated into the front of the building is located approximately in the middle of the block on Czernyring. If you then turn left, you will reach the entrance to the underground garage. The roller shutter opens automatically when you drive up.

The marked visitor parking spaces of InnovationLab are located in the **1st basement (No. 212-215)**. Please turn right in the underground parking garage and then follow the signs. There is a marked door next to the parking spaces which will take you directly to our office.

ARRIVING

BY TRAIN

If you are coming from the direction of the railway tracks, please take the exit on the right towards Bahnstadt. Cross the tracks and walk left along the building complex. If you turn right around the corner, you will arrive directly at the tower of the building at Speyerer Straße 4.

Please go through the revolving door at the main entrance (Speyerer Straße corner of Czernyring) and register in the foyer. We will be happy to pick you up from there and accompany you to building section F, where our offices are located.
